

We've got a job to do lyrics

Chorus - We've got a job to do - a job for the angels,
Spread the word and spread the joy,
We've a job to do - so let's get going,
The time has come for a baby boy.

Versel: What a story it will be!
What a story , you will see!
Such a tale, the world must know,
Come on guys, its time to go!

Chorus - We've got a job to do - a job for the angels,
Spread the word and spread the joy,
We've a job to do - so let's get going,
The time has come for a baby boy.

Verse2: What a story it will be,
What a story, you will see!
Kings and camels, stars and sheep,
Come on guys, no time to sleep!

Chorus - We've got a job to do - a job for the angels,
Spread the word and spread the joy,
We've a job to do - so let's get going,
The time has come for a baby boy.

Verse3: What a story it will be,
What a story, you will see!
Up into the starry sky,
Come on guys, its time to fly!

Chorus - We've got a job to do - a job for the angels,
Spread the word and spread the joy,
We've a job to do - so let's get going,
The time has come for a baby boy.

Hush there's a baby

Hush!

SHHHH!!

There's a baby,

Ooh!

Aaah!

In the manger...

Hush! Shhhh!!! Baby Jesus,

Ooo! Aaah! There's a danger...

That we're going to wake him up,

(or: That we'll wake this sleepy boy)

He's such Good News

we can't shut up,

(or: we jump with joy!)

We want to...

Sing! With the Angels:

Heavenly sound!

Shout! With the Shepherds:

Tell what we've found.

Worship! With the Wise Men:

Bow

right

down!

Jesus is born, and he's

such Good News...

We want to

Shout

and Sing

and

Worship the King!

(We want to) Shout and Sing

and Worship the King!

(We want to) Shout and Sing

and Worship the King!

Jesus is born, and he's such Good News,

we want to...

SHHHH!!!!

Sparkle and Shine lyrics

Ooh-ooh, ooh-ooh

Ah

Ooh, ooh, ooh

Okay, everybody, clap your hands

I'm a superstar, and I'm coming out tonight

I've had a little makeover

And I'm all dressed up tonight

A cheeky drink, a naughty wink

We'll loosen up alright

Stand back and put your shades on

'Cause I'm about to shine

My blinding light will throw you

'Cause there's no starlight like mine

Ooh-oh, ooh-oh

Sparkle and shine

Planets gather 'round

Sparkle and shine

Let's all make a dazzling sound

Here's something you won't believe

It's the first time ever Christmas Eve

I've got my light within me

And it's coming out for you

I'm dizzy with self-confidence

Hope you can feel it too

I'm lighting up the skies tonight

So, come on, join the party

Make the moment last all night

And keep the stars all starry

Ooh-oh, ooh-oh

Ooh-oh, ooh-oh

Sparkle and shine

Planets gather 'round

Sparkle and shine

Let's all make a dazzling sound

Here's something you won't believe

It's the first time ever Christmas Eve

One night, one moment lyrics

Sometimes, life is not all it can be
And here we are

Wondering just how far this road can lead
And here we are

Then from the darkness shines a bright burning star
And who we are is changing within our hearts

One night, one moment (one night, one moment)
And everything's changed (one night, one moment)
One night, one moment (one night, one moment)
And everything's changed (one night, one moment)

Tonight is so pure and so special
We'll never feel lonely again
'Cause we are all standing together
As friends, oh-oh-oo
And everything's changing forever
One night, one moment
