

### **Half term homework challenge**

**Friday 25th October**

This week, in our topic lessons, we have caught a glimpse of American culture. We have focused on music and food and learned about the evolution of American music from blues, jazz, country and rock! We also had a go at creating our own American inspired menu.

For the homework challenge, I would like you to either continue finding out about American music and food or something different. This could be anything from American sports, art, languages, cultural history or more.

Think of a creative way to share your findings and we will show the class after half term!
