

Year 4 - Sculpture and 3D

Ceramics	Things made from clay which are hardened using heat
Form	Three dimensional shapes in art
Found objects	Objects not considered art materials being used to make art
Organic shape	Irregular natural shapes
Scale	The size of an artwork
Sculpture	Three dimensional art made by carving, modelling, casting or constructing
Typography	The art of designing and arranging letters to make them look appealing

Constructing

Using techniques like folding, stitching, tying, weaving and balancing to join materials together and make art.

Carving

Hard materials such as wood or stone can be carved to change their shape. Cut or scrape away pieces of the material to make a sculpture

Modelling

Soft materials such as clay or wire can be shaped by hand to make sculptures.

Found objects

Materials not usually thought of as art materials can be used to make sculptures, e.g. scrap metal, old toys, pieces of furniture.
