small enough to care, BIG enough to inspire

Summer I Newsletter

Message from Mrs Bitcon

What a wonderful half term it has been! I wanted to start by saying a heartfelt thank you for all the kind words and emails of support following our recent OFSTED inspection. Your children are amazing and they are all making great progress. It has been a privilege to see them shine and I'm incredibly proud of everything they have achieved.

As we head towards the final half term of the year, I would love to encourage every family to aim for 100% attendance for all our children. Every day in school counts and we want to make sure no one misses out on the fantastic learning and experiences we have planned.

Nearly 100 children achieved 100% silver stars this half term, which is absolutely fantastic!

I hope this newsletter has given you a glimpse into the fantastic things happening at Orchard Primary and Pre-school. Our children continue to amaze us every day with their enthusiasm, kindness and achievements.

Thank you for your continued support of our wonderful school community. Have a lovely half term break and we look forward to welcoming everyone back for an exciting final term!

Warm wishes,

Sarah Bitcon

Community Events & Celebrations

A Half Term of Amazing Achievements

Save the Rhino Campaign

Year 5 have been incredible, running a Save the Rhino sale which raised over £200 to sponsor an endangered species! This wonderful result came from our Sir David Attenborough 100 year celebration. A fantastic effort showing our commitment to conservation and the environment.

FRIENDS

A huge thank you to the Friends of Orchard for organising and running an absolutely brilliant Movie Night! The event raised over £400 and we're so grateful for their hard work. We'll be sharing plans for how we'll be spending this generous amount after the holiday.

GOODBYE and GOOD LUCK

We'd also like to say a warm goodbye to Miss Perry, who is leaving us to work in a Day Nursery. We wish her all the very best in her new role.

Reception School Trip

Reception had a wonderful day at the butterfly farm recently – even getting stuck in traffic on the way back didn't dampen their spirits or the fantastic learning they experienced!

Student Achievement

Celebrating the outstanding accomplishments of our Orchard Primary students. Congratulations to all our Year 6 pupils who completed their SATS with determination and focus: Every child showed incredible resilience and positive attitudes throughout. Their hard work and preparation paid off. We are so proud of each and every one of them!

Community Champions

Marathon Heroes: Dr & Mrs Janowicz

A massive shout out to Dr and Mrs Janowicz, who ran the Southampton Marathon and raised an incredible £1,400 for the school! This generous donation will go towards creating an outside reading area where children can enjoy books in nature. We'll share more details about the exciting plans shortly. Their dedication and commitment to our school community is truly inspiring.

Our Rising Star: Teddie, Year 2

We're incredibly proud of Teddie in Year 2, who has been raising money for the Air Ambulance charity. Teddie's fundraising efforts have been so impressive that he has even become a radio and TV star in the process! His dedication to helping others at such a young age is truly remarkable and an inspiration to us all.

Celebrating Our Community

At Orchard Primary and Pre-school, we are blessed with an amazing community of families who go above and beyond to support our school and wider causes. These achievements remind us of the wonderful values our children are learning - kindness, determination, and giving back. Thank you to everyone who continues to make our school such a special place.

Thank You to Our Orchard Family!

Every act of kindness, every fundraising effort, and every hour volunteered makes a real difference to our school. We are so grateful for the support of our entire community. Together, we are creating wonderful opportunities for all our children to learn, grow, and thrive.
