

Orchard Primary & Pre-School

Dear Parent/Carer

School Uniform

We are already preparing for the new academic year and we're especially excited to welcome our new pupils to the school and working hard to ensure their transition is a positive one that builds their confidence for the future. An important part of that transition is taking pride in our school uniform and the values it represents. We believe that a clear and consistent uniform policy has a vital role to play in helping all our pupils feel part of something bigger – and just as importantly, that everyone is an equal and valued member of our school community.

To help you and our new starters get ready for the new school year, we are sending you information on our uniform policy and purchase options. The link below will take you to the school uniform page of our website:

The Monkhouse website hosts key information including:

- Our school uniform and prices
- How to order online or in store
- How to book a personalised 1:1 store appointment
- Offers and promotions on essential and accessory items

- Parent newsletter sign-up
- Extended free returns

1:1 Personalised In-Store Appointments

Because many new starters prefer to visit a store for fitting and advice, Monkhouse will be continuing with their popular 1:1 personalised store appointments with their experienced staff. But to ensure availability, it is important that you book as soon as possible. You can book your store appointment on the Monkhouse website.
