

	<u>Challenge:</u>
<p>Task 1</p>	<p>I would like the children to be reading at home each evening. Each week the children take home 2/3 phonics books and a guided reading book. The children can read any of these throughout the week. This will help your child improve their fluency as well as their comprehension of each of the texts. If your child has read, please can this be written into the children's home-learning diary so that they can receive their house point. NB: Children do not need to read the whole book in one go.</p> 
<p>Task 2</p>	<p>This ½ term we are going to be working on our fluency in Maths. I would like the children to practise on NumBots to help with this. Login details can be found in the front of the children's home-learning diaries but if you need another copy please see myself or Mrs Guscott.</p> 
<p>Task 3</p>	<p>Over the next few weeks I'll be setting a song from our performance for the children to practise. Versions of the song can be found on YouTube. This week I would like the children to practise Live a Little.</p> <p>Live a Little:</p> <p>Birds sing, the alarm clock rings and you jump right out of bed. It's bright, not a cloud in sight and there's blue skies overhead! It's fine, time to rise and shine, for adventure's on its way. Wonderland is just a brand new day!</p> <p>Why don't you live a little, live a little, pick up the pace? Give a little, give a little smile on your face, finding the fun, out in the sun and your life has begun! Why don't you make a little, make a little moment with me? Take a little, take a little time and you'll be finding the fun, out in the sun and your life has begun! Wonderland is just a brand new day!</p> <p>Why don't you live a little, live a little, pick up the pace? Give a little, give a little smile on your face,</p> 

finding the fun, out in the sun
and yu life has begun!
Why don't you make a little, make a little
moment with me?
Take a little, take a little
time and you'll be
finding the fun, out in the sun
and your life has begun!
Life has begun!

Task 4 - optional

This half-term our 10-minute
show & tell will be linked to
our topic 'Famous Queens'.

Next week in topic we will be
looking at the royal family tree.
This week I would like you to
either research the royal family
in preparation or create your own family tree.

I have put some pictures of some examples for inspiration!

The children can share these on Friday 5th July 2024
