

10 Minute Challenges - Autumn 2 - Week 6 - 09/12/24

<u>Challenge:</u>	
Task 1	The end of the year is fast approaching and the school days are feeling very busy! This week I've reduced the amount of tasks - please continue to read each evening and practice spellings. Although the green words are a little fun the red words for mine and Mrs Wheatley's groups are words from the Year 2 'common exception' words and so we do need to be able to spell them by the end of the year.
Task 2	We have continued to practice our song this week and we are getting stronger and stronger at our verses as the days go on! Task 2 will continue to focus on our song for another week because our rehearsal at Pershore Abbey is fast approaching!

Task 3	In our phonics assessment we've noticed that our knowledge of the sounds has improved fantastically but we still need work on reading the sounds in longer words. Below are some longer words including some sounds that your children will have been learning over the past few weeks. Please practice reading these words but remember we are aiming for speedy reading so <b>repetition is key</b> . Help: If you're struggling to read the word speedily, draw dots / dashes first to help you. There is also a helpful poster of the sounds in the back of the children's diaries.

Task 4

### North America at Christmas!

Lots of Christmas films are set in America so I'm sure we're all aware that Americans are known for their extravagant celebrations and Christmas decorations!

However, in the spirit of giving, Christmas time in America is also a time for charity work and spreading kindness to those less fortunate.

In PSCHE this week we will be learning about how we can spread 'an act of kindness' but how could you spread kindness outside of school? This can be from the very basic e.g. helping out around the house without being asked to doing some volunteer work or making a donation to a charity.

What act of kindness can you spread this week? No matter how small. Photograph, draw, or write about your act of kindness to share in Friday's Show & Tell.

P.S. Don't forget to locate North America on a map! Can you remember the continents we've looked at so far? Can you locate the continents we've looked at on a map or using Google Earth?
