

Task
1

We have now learnt all of the letters as well as the two joining techniques! We will continue to practice our handwriting with a targeted 10-minute-challenge each week because the children are at different stages in their journeys. The task will also support with some of the tricky punctuation and grammar that we've been learning since starting in Year 2.

Add the Capital Letters: 2

You must always start a sentence with a capital letter.

Write these sentences again adding the missing capital letters:

five ducks swim on the pond.

go to bed now!

how did you fall off the log?

Task
2

We will, now the children have had some time to practice their 5X table, begin testing the children that are ready to identify any target calculations (and throw them into 5 ÷).

$0 \times 5 =$	$7 \times 5 =$
$1 \times 5 =$	$8 \times 5 =$
$2 \times 5 =$	$9 \times 5 =$
$3 \times 5 =$	$10 \times 5 =$
$4 \times 5 =$	$11 \times 5 =$
$5 \times 5 =$	$12 \times 5 =$
$6 \times 5 =$	

Challenge: Can you complete the calculations out of order?
Can you complete the commutative law calculation e.g.
 $6 \times 5 =$ SO $5 \times 6 =$

Task
3

Our Victorian topic is nearing its end and Mr Bayliss is already starting on our Spring 2 learning. Our focus text in Spring 2 will include a little twist on some Fairy Tale characters. On Friday we will be 'cold' writing the story of Little Red Riding Hood to see what we already know / can remember from Year 1 about writing Fairy-Tales. Completing the 60-second-read below will be a fantastic little refresher and hopefully give us a few extra ideas to include in our stories.

Our show & tell 10-minute-challenge this ½ term will focus on the oceans. Each week we will look at a fun fact about an ocean to help us to remember them. We learnt (through song) in Autumn 2 that there are 5 oceans to learn.

*There are 5. There are 5.
 Oceans. Oceans.
 Pacific and Atlantic.
 Indian and*

Did you know? The Indian Ocean provides a home to many endangered species of animals such as turtles, seals and dugongs! Could you complete a poster fact file on an endangered animal found in the Indian Ocean OR a piece of artwork around this animal to raise awareness? What could we do / be doing to help this animal from going extinct?
