

10 Minute Challenges - Summer 2 - Week 3 - 17/06/24

Challenge:

Task
1

In class, in our handwriting lessons, we've been practicing writing pangrams (sentences that include every letter of the alphabet). Please practice the pangram below and make note of any letters that may need additional practice over the coming weeks. Are the descending letters dangling their tails? Are the letters the correct size? Are we confident with the joining techniques we learnt in the Autumn term e.g. robot arm? Write the sentence three times to practice.

My girl wove six dozen plaid jackets before she quit.

Task
2

We appreciate that the children are working against individual targets / Times Tables and we will continue to complete our weekly test to see the tables / calculations that need working on throughout the rest of the Summer term. Please continue to practice on TT Rockstars, we'll be continuing to celebrate our Rockstar of the week in celebrations assembly.

Below is a little reasoning to see if we can apply our knowledge of the 2, 5 and 10X tables beyond our known facts.

1.		4.	
2.		5.	
3.		6.	

Task
3

In class we've noticed that the children are very good at discussing and answering questions around stories that they have read multiple times e.g. in phonics or guided reading. However, we aren't as confident answering questions / discussing books / texts that we've read cold once. We will be continuing this ½ term with our 60 second reads and building in more opportunities for reading extracts in school.

Grumble the Troll

8 Grumble was a troll who hated summer. The
17 sun made his eyes sting and he didn't like
19 feeling hot.

28 One day, Dina the fairy was flying past and
31 heard Grumble moaning.

39 "Grumble! There are so many things to love
46 about summer. Come with me!" Dina said.

54 Dina took Grumble on a perfect summer's day
64 out. They went to the beach and swam in the
72 sea when Grumble was feeling too hot. Dina
80 gave him some sunglasses to stop his eyes
87 stinging. Then, they walked through the park
97 and looked at all the bright flowers. It was the
105 first time Dina had ever seen Grumble smile!

112 "I guess summer isn't too bad," Grumble
113 grinned.

Quick Questions

1. Tick **two** things that Dina and Grumble did.
- They swam in the sea.
 - They danced at a party.
 - They looked at the flowers.

2. Find and copy one word which shows that Grumble was in pain.
- _____

3. Where was the first place that Dina took Grumble?
- _____

4. How do you think Grumble was feeling at the end of the text? Why do you think this?
- _____
- _____
- _____

Task
4

Our show & tell this ½ term will aim to embed the knowledge from our Summer 1 topic focusing on Jim and the Beanstalk.

In the third week of our Summer 1 topic we looked at food and where our food has travelled from to be on the shelves in Pershore.

This week, I'd like to you to find a food item that has travelled to the UK.

Which continent did your food item travel from?

Which country was your food grown / produced in?

Which oceans / continents has your food travelled over / past?

Why was your food not grown / produced in the UK? Can you link this to your knowledge of the Equator?

How many miles has your food travelled?

We will be looking at the food items children bring in in 10-minute-challenge, a BONUS sticker will be awarded for the child that has the food item that has travelled the furthest.
