08.07	<p>In the final weeks of our Summer 1 topic (in literacy) we looked at character descriptions and described our own 'Giant' character from the story Jim and the Beanstalk. We talked about describing their appearance, clothing and their personality. We learnt about selecting our adjectives for a purpose and what this will tell the reader without explicitly saying it e.g. stained jumper, matted hair, ripped trousers... what does my choice of adjective say about my character? (maybe they're a bit of a slob or maybe they've got a 10-month old)</p>  <p>This week I'd like you to write your own character description... this can be ANY CHARACTER - human, animal, mythical creature etc. Draw a picture of your character to accompany your description. We will read through them for our Show &amp; Tell.</p>
15.07	<p>In Summer 1 our PSCHE / SCARF block was entitled 'Being My Best'. Throughout this block we learnt about: how we can help each other; how we can look after ourselves and how with a little practice and perseverance... "We can do it!".</p> <p>This week I'd like you to share with the class something that you can do now that you couldn't at the beginning of Year 2. For our final Show &amp; Tell of the year I'd like to celebrate the children's achievements... what they feel is their most valuable achievement this year... this can be anything (as long as it's school / Year 2 related)!</p>
