House allocation:

Your child will find out their House, and therefore which New Intake Evening you should attend during the week commencing Monday 10th June.

Data Collection:

It is important that we collect current information about your child. Please complete the following MS Form: <https://forms.office.com/e/JGREmr2k9C> by **Sunday 9th June**. The form is lengthy (62 questions). The software suggests around 6 minutes to complete. This is to allow us to capture lots of information at one time, rather than making a number of separate requests. Please take the time to ensure all of the information provided is accurate and refer to the attached information document sent providing more information in any area where consent is requested.

Apologies if some of the question options may not seem relevant but they are designed to merge directly with the school's Management Information System, or School Census information requested by the Department for Education; for this reason some responses are compulsory whilst others are not. Thank you for the time spend completing this data request.

Transition Webpage:

Under the 'Key Information' tab on the school website (www.pershore.worcs.sch.uk) the 'Transition' link will become available from Monday 10th June. This will contain all communication already sent along with a range of helpful information and activities to ensure a smooth transition for your child.

School Transport:

A reminder that it is appropriate to start considering transport arrangements ready for next academic year.

WCC recommend not delaying your applications, where relevant, to be sure to secure transport from the first day of the autumn term.

You can use the QR Code or visit the website at:

www.worcestershire.gov.uk/schooltransport

Keeping in touch:

Remember that if you have any urgent questions about your son/daughter's transition, please do get in touch using:

Current Year 6 students: year6transition@pershore.worcs.sch.uk

Current Year 7 students: year7transition@pershore.worcs.sch.uk

We look forward to welcoming you and your child to Pershore High School in the coming weeks and will be in touch again before half term to start the process of information gathering and initiate our transition process more fully.

Yours faithfully,
