

## Orchard Primary & Pre-School

7 May 2024

Dear Year 6

We've decided not to set any homework this weekend as you've all worked so hard to prepare for next week. In return, we just ask that you get lots of sleep and rest over the weekend.

Please remember, the scores you get from your SATs will tell you something, but they will not tell you everything.

They won't tell you how kind and thoughtful you are.

They won't tell you all the sports that you can play.

They won't tell you that you can sing and dance.

They won't tell you that you that you work brilliantly in a team.

They won't tell you that you have superb organisational skills.

They won't tell you how your sense of humour makes us laugh and smile every day.

They won't tell you how helpful you are at home.

They won't tell you how special and unique you are.

All of your teachers are so proud of you. We've watched you grow and turn in to intelligent, funny and caring individuals. All that we can ask from you is that you try your hardest next week and persevere.

**Don't get stressed ... just do your best!**

**Remember you've been blessed with skills that SATs don't test!**

We would also like to invite you all to come in for breakfast each day next week at 8.15am to get your day off to the best start.

We wish you the best of luck.

Best wishes

Sarah Bitcon  
Head Teacher
