April 2025

As we rapidly approach the end of another very busy term, I wanted to take a moment to express my heartfelt thanks for your continued support. We truly appreciate the efforts you have all been making with your children in terms of reading, times tables, homework, and maintaining excellent attendance. Your commitment plays a crucial role in their development and learning.

As we look forward to the upcoming holiday, we would be incredibly grateful if you could continue to encourage reading at home and engage with TT Rock Stars. Additionally, our Reception and Year 1 children will be taking home phonics activities and video clips to help reinforce their learning during the break.

I also want to acknowledge your phenomenal support with our fundraising efforts. It has been amazing to witness our community come together. After the holidays, we will be sharing our exciting 'Playground Plans' with you, outlining what we can achieve thanks to your contributions.

Looking ahead, I'd like to highlight a few upcoming events where we would love your involvement:

- Friends Sunday Working Party (18 May): Sign up for a job that suits you and lend a hand!
- Cake Decorating Competition: Please bring your cakes in on Monday; we can't wait to see your creativity!
- Chocolate Bingo: Join us in May for a fun-filled evening.

Thank you once again for your invaluable support.

We'd like to remind you that school will be closed next Friday and, in advance, we wish you all a restful holiday and looking forward to seeing everyone back, recharged and ready for the next term!

HISTORY

We look forward to another visit from the History Man on Monday; he will be working with Year 6 and Year 4 bringing Plague and Pox and Piratology alive. Look out for the pictures on our website

NEW WEBSITE

Next term we will be launching our new website that will make it simpler for you to find information...watch out for the launch!

RECEPTION MUSIC EVENT

Well done to all our Reception children that walked all the way to Pershore High School and had a fun morning singing and dancing! Thank you to the parents/grandparents who helped on the trip.

CAKE COMPETITION

Time to get creative! The Friends are organising an Easter Cake competition. Make or buy a cake over the weekend and decorate it. We look forward to seeing your wonderful creations on Monday!

HOUSE POINTS

AND THE WINNERS ARE

TT ROCK STARS

TTRock Stars and Numbots are a fun and accessible way of children practicing addition, subtraction, multiplication and division facts. Our goal is for children to have a quick recall (less than 5 seconds); this enables them to efficiently and confidently solve more complex number problems.

Please help your children by logging on regularly. Practice makes perfect!

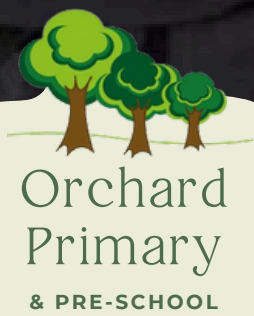

READING AT HOME

We appreciate life at home is very busy but it is so important to the children's progress for them to read lots of books at home and have stories read to them. If you are finding this tricky please speak to your class teacher who can help with ideas.

You can also join our Book Club on Tuesdays. For more information contact the office.

Dates for your diary

-  Monday 7 April- Cake competition and cake sale
Year 6 and Year 4 History Day
-  Friday 11 April School Closed
-  Monday 28 April- School starts back!
