

Our 'Word of the Week' is: **splendid**

Maths - Spend 10 minutes on TT Rock Stars this week.
Can you get yourself onto the leader board?

Answer these questions:

1. Fill in the missing numbers → 1, 2, __ 4, __ 6
2. $5-4=$
3. Hannah has 6 football cards. She loses 1. How many does she have left? __
4. $3+6=$
5. Fill in the missing numbers → 4, 5, __ 7, __ 9

Spellings (see separate sheet) You will be tested on a Friday.

Handwriting - Let's learn our Year 3 words while practising our neatest handwriting. Trace the words and then write them on the lines.

Reading

Try and read for 10 minutes each night. Remember to record it in your reading book.

Topic

Based on our topic lesson this week 'How is the Earth constructed?', have a go at this activity:

Step 1 - Label it (5 mins):

Draw a simple cross-section of the Earth showing its **four main layers**. Label each layer and write **one fact** about it.

Step 2 - Explain it (5 mins):

Write **three sentences** to explain how the Earth's layers work together. You could start with:

- "The Earth is made up of..."
- "The hottest part of the Earth is..."
- "If we could travel down through the layers, we would see..."

Bonus challenge:

Can you think of **one reason** why it's important for scientists to study the Earth's layers?
