5-for-5 Reading

Test Two

Creakington Castle

Are you fed up of living in the busy city? Is the lack of height on your home getting you down? Do you want that WOW factor when unsuspecting visitors show up unannounced? If your answer is 'yes', then we at Villainous Villas have the perfect property for you.

Set at the top of an ominous and mysterious hill, Creakington Castle can only be accessed via a dark and foreboding forest. The current owner tells us that the path which leads to the castle entrance attracts a steady rate of weary travellers throughout the year. With the topmost tier being almost entirely shrouded by clouds, Creakington Castle offers the kind of privacy that you'll struggle to find in most modern homes. In addition to the dungeons, skeletons and pre-creaked doors already installed at Creakington Castle, the inside provides the kind of unsettling silence that only the finest castles can produce.

To organise a viewing, have your assistant contact us using your preferred method.

1 Which part of Creakington Castle is almost completely covered by clouds?

2 Find and copy one word which shows that the travellers who are attracted to the castle are tired.

3 Draw lines to match each feature of the advert with the correct quotation from the text.

SPaG focused activity - Subjunctive Verb Forms

G4.3 What Is the Subjunctive Verb Form?

The **subjunctive verb form** (which is also known as the **subjunctive mood**) is a formal way of expressing **commands, requests, wishes** or **imaginary situations**.

Whether the sentence is written in first person, second person or third person, the **subjunctive verb form** uses the **base form of a verb**. Base forms of verbs **don't** have anything added to the end, such as: -ed, -s or -ing. For example:

be **create** **find** **get** **hide** **try** **visit** **walk**

To express **commands** or **requests**, 'that' is used alongside a **base verb**.

The rules **command that** you **walk** slowly along the corridor.
I **request that** you **bring** the game to my house tomorrow evening.
I **demand that** you **be** quiet at once.

To express **wishes** or **imaginary situations**, 'were' is used alongside a **base verb**.

If I were a bit braver, I would **climb** to the top of the tree.
I **wish I were** able to **fly**.

Although the subjunctive mood is not commonly used in everyday speech, it is often found after more formal verbs, such as: **require, demand, suggest** and **propose**.
